Meet people

Meeting places

If you're new to a region, it's nice to get to know people first. This will help you to learn German more quickly and you'll soon feel at home. Here are a few ideas of where you can meet people.

"Friedberg speaks":

People meet spontaneously and speak different languages (Italian, Spanish, Turkish, English, French and German) with each other.

These **cafés in Friedberg** are taking part:

📍 Divano meeting centre, Pfarrstraße 1

📍 Eiscafé am Brunnen, Marienplatz 13

How it works: You simply go into the café and place a flag with the language you want to speak on your table. The café will give you the flag.
