

Sozialwohnungen/Wohnberechtigungsschein (WBS)

What is social housing?

- Social housing is housing for people with little money. Many people would like to move into these flats. That is why there are special regulations.
- It sometimes takes several years before you get a council flat.

 **Important:** Only complete the application form for social housing in full.

I would like social housing. What do I have to do?

- You apply for the pre-registration certificate at the Housing and Foundation Office.
- The office will check whether you are entitled to social housing.
- The office will determine your personal urgency level.

You will receive a certain number of points depending on your social urgency. You can find this on Wohnberechtigungsschein, which will be sent to you by post.
