

## Job counsellor Bfz

### Help with working in Bayreuth

The job counsellors from bfz Bayreuth help refugees aged 25 and over who are allowed to stay in Germany. They will support you if you are looking for a job.

They will help you with:

- Questions about living and working in Germany
- Job search and contact with companies
- Writing applications

They work together with companies, the job centre and the employment agency.

They also help refugees and long-term unemployed people with a migration background with questions and problems.
