

Childminder

What is a Tagesmutter or a Tagesvater?

Tagesmütter and Tagesväter are also called Kindertagespflege. This is a type of **childcare for children aged 1 to 3 years**.

Tagesmütter or Tagesväter are one way of looking after your child. For example, if you want intensive care for your child or cannot find a place in a daycare centre.

What do Tagesmütter and Tagesväter do?

Tagesmütter or Tagesväter **look after several children at agreed times**. The childcare usually takes place in the day carer's home.

Do you need help finding a Tagesmutter or Tagesvater?

The **Youth Welfare Office** can help you with this. To do this, you need to complete the form "[Suche einer Kindertagespflegestelle](#)" and send it to the Youth Welfare Office. You can find your **contact person** [here](#).

 General **information about childcare** can be found [here](#).
