Sport

Sport at KreisSportBund Euskirchen

The KreisSportBund has many different sports programmes for indoors and outdoors. Choose a course and learn new sports together with the other course participants. Each course has a qualified and reliable trainer. Find out more on the following website:

<https://www.sportbildungswerk-nrw.de/euskirchen/>

Sports clubs

At a sports club, you can socialise with people from different age groups and do sports together. A sports club offers several sports programmes. You can choose the sports programme that you enjoy the most. A sports group that you join is always a community. You can also meet up with the sports groups or individual participants outside the sports club.

[On the following pages](#) you will find an overview of the sports clubs in the district Euskirchen. Ask when the next training session takes place and whether you can join "schnuppern" (i.e. take part without obligation to get to know everything).

For help finding a club, please contact KreisSportBund Euskirchen:
