There are also clubs that are committed to society and the environment, for example [Amnesty International](#) or the Bund Naturschutz. There are also local [migrant associations](#), which are often important contacts for people with a migration background.

Clubs offer a good opportunity to get to know people with similar interests, have fun together and make new friends. Anyone can become a member of an association. Members pay an annual membership fee. Children and young people up to the age of 18 can receive a subsidy via the [education package](#).

## Rivers and lakes

There are several lakes and rivers in the neighbourhood where you can swim in summer.

💡 **Very important: If you can't swim, never go into the water deeper than your knees!** Many people drown every year because they can't swim. They don't realise that it is very dangerous to go into a river or lake.

## Would you like to learn to swim?

Then visit a swimming school! There are swimming courses for pre-school children. Pupils have swimming lessons at school. There are also courses for adults.

[Here](#) you can find the swimming schools in the city of Fürth.

In the district of Fürth, some swimming pools and [adult education centres](#) offer swimming courses. Enquire there directly.

## Libraries

If you like reading, you can go to the library. Libraries are places where you can read. You can also borrow books and other media (CDs, radio plays, films) and take them home for a certain period of time.

In order to borrow media, you need a user card. You will need to bring proof of your identity (e.g. residence permit, tolerated stay permit, passport). You also have to pay a small fee to borrow media. You usually have to pay this fee once a year. Reading on site is free of charge.

💡 There are different loan periods for the media. Books, for example, must be returned after four weeks. Important: If you do not return the media on time, you will have to pay high fees!

There is a public library in the city of Fürth. It has a great selection of books for children, young people and adults, media for learning German and CDs, DVDs and books in different languages.

Adults aged 18 and over pay 18.00 euros for one year. Pupils, students and people with the [Fürth Pass](#) pay 9.00 euros for a year.
