

Parental allowance (Elterngeld)

Lots of parents want to look after their child after **his/her birth**. They don't **work** for a **certain period of time** in order to do this.

Or they only work **part-time**. Part-time means: You work less than 30 hours a week.

If you have applied for **parental allowance**, you can get at **least 300 euros every month**. But it can be more. You **normally get parental allowance for 12 months**. But it can also be longer.

You receive parental allowance if you have a **residence** and reside in **Germany**. You need a **residence permit**. You must live with your child.
