
Adult education centres

The adult education centre (Volkshochschule) (VHS) is an institution for adult education and further education.

The courses offered by adult education centres consist of courses of varying duration. In most cases, they last between 1 and 15 weeks. As a rule, it is open to all persons aged 16 and over. There are courses that are suitable for working people.

The adult education centre Heidekreis also offers many different continuing education programmes, such as computer courses. You must pay for these courses yourself. The adult education centre has Landkreis Heidekreis two locations.
