## Employment Agency

The **Federal Employment Agency** helps people  
in their search for a job.

Its aim is to

to help people

find a suitable job

and develop their careers.

She provides counselling and support,  
for example

- with career choices
- arranges work placements
- offers support in the job search
- provides support with further education

**The employment agency is responsible  
for the **city** and **district of Hof**.**
