Augustdorf

Augustdorf (Augustdorf) is the youngest municipality in the federal state of North Rhine-Westphalia (NRW).

The nature there is very beautiful. Many people find the landscape particularly valuable. Augustdorf is located in the Senneland landscape and on the edge of the Teutoburg Forest.

There are larger towns nearby. These include Detmold, Paderborn, Bielefeld and Gütersloh. There are many other things to do there.

Augustdorf is also known as a major location for the German Armed Forces.

Mayor: Dr Andreas J. Wulf

Population: approx. 10,000

Asylum round table

We offer support to refugees in Leopoldshöhe.

For example, by helping them to understand and answer official letters or fill out forms.

Or in the form of transportation services (for example, taking a small child to the doctor).

Or by accompanying you to authorities such as the immigration office, health insurance company or job center. We help with preparing for an appointment (What papers do I need?

How do I get there?)

We want to involve them in social and community life in Germany and in our region. We have various offers for this.
