

Integration Courses

In the general **integration course** you will learn German in 600 classroom hours until you reach language level B1. During an additional 100 class hours, you will gain insights into the culture, politics and social customs of Germany. There are also special forms of integration courses such as the literacy course with 900 lessons. Are you a refugee? Do you receive social benefits? Then the integration courses are free of charge for you.

The integration course concludes with the "Deutschtest für Zuwanderer" (DTZ) and "Leben in Deutschland" (LiD) examinations.

You can be obliged by the [Job Centre](#) or the [Immigration Office](#) to attend an integration course. You can also apply for the integration course at the BAMF [antrag-zulassung-integrationskurs.pdf](#). The [refugee social advice service](#) or the [migration advice service](#) will be happy to help you with your application. They will also support you in choosing an integration course provider.
