- anyone can become a member.
- Here you can have contact
- with other people
- and make new friends.
- To become a member of a club
- usually requires
- an annual membership fee
- be paid.
- Ask the club?
- If you are a customer of the job centre
- or the social welfare office,

- you can ask them there
- whether the membership fee
- paid for your children.
- If yes, then they must
- apply for money from the social administration
- at the Education and Participation Centre.
- Help with the application,
