

Help with the threat of losing your home

Outpatient emergency housing assistance from Diakonie

Are you afraid of losing your flat? For example, because of a cancellation? Or because of an eviction action? Or an eviction judgement? Or you can no longer pay your rent? Then you are not alone!

Diakonie's outpatient emergency housing help centre can help you. The advice centre will advise you on all questions relating to housing hardship. The specialists there will support you. And they will refer you to further help. They will also help you find a new flat.

 **Important:** Get help as early as possible! That way you can meet any deadlines. And avoid additional costs. The earlier you get in touch, the better you can be helped.
