

Helper groups

In many parts of the Landkreis and the city, there are groups who help you without making you pay for it. The volunteers can help you getting familiar with your environment, participating in leisure and sports offers and acquiring your first knowledge of German. If you have questions concerning everyday life, you may ask the unpaid volunteers. For example, if you can't understand a German letter, or if you want to know how to find good shopping and sports facilities, or how to go in a bus. If you have questions concerning a bank account, the unpaid volunteers can also help you. Many helper circles also offer help if you would like to learn German.
