Overview Advice and Help

For an overview of different support services and counseling centers, see also this [website](#).

The Family Guide

The family guide of Aktion Mensch offers information and addresses for people with disabilities and their families. On the website, people with disabilities and their families can find important information about living with disabilities in simple and easy German: From school, to work, leisure, accessibility, rights, housing, counseling, health and long-term care insurance, and much more.
