

Photography workshop

Photo workshop

The workshop focuses on photography and the use of cameras. You can take photos in a small photo studio. You will realise your own ideas and choose your own motifs. At the end you can print out your own photos.

You don't have to be able to do anything.

 Every 1st and 2nd Friday of the month 15:00 - 19:00. You can also find the exact dates [here](#) and [here](#).

Who for: For everyone. No registration is necessary. Just drop by. We look forward to seeing you!

The programme is free of charge.
