

Psychosocial health centre

Psychosoziales Gesundheitszentrum im Diakoniewerk Oberhausen gGmbH: Anlaufstelle für Menschen, die seelisch krank sind.

We help people who are not feeling well mentally.

Here you can meet people who are also not feeling well and talk to them or do something together.

We help people who are mentally ill and need help in everyday life and in their homes. We help people to participate in life in the community.

We provide counselling in German. You are welcome to bring an interpreter with you. The help is free of charge.
