добро пожаловать! Теплий прием! Serdecznie Witamy! Bun venit! Καλώς ορίσατε. Välkommen!
Prisrčno dobrodôšli!

Here in the Recklinghausen district, people say "hello" in many languages. We are colourful and diverse. This applies to the people and the country. Our three colourful waves in the logo stand for Lippe, Landschaft and Emscher.

The Recklinghausen district immigration office helps foreigners from certain towns (Haltern am See, Datteln, Oer-Erkenschwick and Waltrop). If you have any questions about asylum, visas, residence or naturalisation, we are here to help. Remember to make an appointment for a meeting.

Contact us by telephone  [02361/535311](tel:02361535311)
or by email  Aufenthalt@kreis-re.de.

Visit our website for more information and contacts. We need time to answer your emails as we receive many enquiries. Please include the person's full name, date of birth and address in email enquiries so that we can help you better.
