

City library

In a library you can borrow books, CDs, DVDs, games and much more or use them directly on site. There are also many media in other languages.

You can study there in peace and quiet.

You can use computers there.

You can practise reading there.

You can relax there.

It doesn't cost much. It's free for children. There are favourable rates for asylum seekers, students, welfare recipients and other groups. You can also use many of the services free of charge without a membership.

The library also organises regular free events. Many of them are for children and families. You can find a list here:
