

Rems-Murr job centre

The job centre helps recognised refugees who receive citizen's allowance and do not receive benefits under the Asylum Seekers Benefits Act.

They also help these people to integrate into the labour market.

Offers from the job centre:

- Access to an integration course to learn German
- Help with the search for jobs and apprenticeships
- Coaching and training before and during a job

The new app for the job centre is here

Access your job centre anytime, anywhere. Easily and conveniently via your smartphone. Use your usual access data.

This job centre is now always open and is available everywhere as a smartphone app. Advantages of the app:

- Submit your applications directly via the app
- Upload documents from your smartphone
- Communicate changes
- Exchange messages in the mailbox service

Download the new job centre app for [Android](#) and [iOS](#).
