

Getting involved and volunteering

Getting involved and volunteering

In Germany, there are many opportunities to get involved in social and charitable causes in your free time. This means you help out because you want to support a particular cause or a particular group. Your support is voluntary and you do not receive any money for it.

Below you will find various opportunities where you can get involved in Rosenheim. The list is not exhaustive and is only intended to give a first insight into the different areas.

Contact points for civic engagement

Community centre Happing

Happinger Str. 83, Rosenheim

08031/237575

andrea.doerries@jh-obb.de
