
Learn German without a course

Language cafés

There are also many volunteers in so-called language cafés (or Sprachtreffs) who can help you learn German. In the language cafés you can meet up with other people and speak German with them. This allows you to practise your German and learn new words. And maybe even make new friends along the way. In the language cafés, it doesn't matter whether you have previous knowledge or not. Everyone sits together in small groups and simply chats.
