💡 As an asylum seeker in Germany, you are not legally entitled to Internet access (WIFI) in your accommodation. Therefore, there is usually no WIFI (WLAN) in the accommodation. If there is a telephone connection in the accommodation, it is possible for you to conclude a contract for WLAN yourself. Ask your [circle of helpers](#) to help you choose a good contract. Talk to the people living in the accommodation about payment beforehand. Consider whether a contract that you can cancel at any time is better than a contract that is valid for a long time (e.g. 2 years). Before signing the contract, ask your accommodation provider whether Wi-Fi is technically possible at all and how you can give the technician access.
