

## Rostock International House

### Welcome to the Rostock International House

The Rostock International House is the centre for all international programmes at the University of Rostock.

We work together with partners from other countries and help students from abroad.

We also support German students who want to go abroad.

We organise the ERASMUS+ programme and advise on study opportunities abroad.

We also support prospective refugee students on their way to university.

### **Help for refugees**

The Rostock International House supports refugees who want to study.

We offer advice on language courses, subjects and applications.

There are also events such as the International Regulars' Table and workshops on preparing for university.

The International Stammtisch is a meeting for all those who are learning German.

It takes place once a month at 19:00 in the Global Café (Parkstraße 6). The dates can be found on our website.

Do you have any questions about studying or everyday life? We will be happy to help you!

### **Welcome to the International Welcome Center**

The International Welcome Center of the University of Rostock helps and advises international researchers. This includes doctoral students, postdocs and guest researchers.

We provide support with many things, such as finding accommodation, applying for a visa or taking out insurance.

If necessary, our staff will also accompany international researchers to offices (e.g. Ortsamt)
