

Interkulturelle Treffpunkte

Intercultural centre "Waldemarhof"

The Interkulturelle Zentrum is a place where people from different cultures come together. Here they can get to know each other, exchange ideas and learn from each other. There are many programmes such as language courses, events and workshops. The aim is to promote understanding between cultures.

Newcomer-Cafe

Rostock hilft is an organisation that supports people who have fled and need help. They offer help in various areas, such as integration, language and education. If you need counselling and support, come to Newcomer Café. The Newcomer Café is a place for meetings and events. Immigrants have the opportunity to receive independent counselling here. The rooms can also be used for groups. Many different and free events take place in the Newcomer Café. For example, the language café takes place every Thursday from 16:00 - 18:00. All events are free of charge and no registration is required.
