

Leisure and culture

There are many cultural and sporting activities as well as local recreational opportunities in Saarburg and the surrounding area, so we can only present a few. In Germany, leisure activities are largely organised in clubs. Some are even free of charge.

People with the same hobby join together. There are sports clubs, choirs, cultural organisations and many more. If you join a club, you can pursue your interests and hobbies, get to know people and make new contacts.

You can find a list of clubs and societies in Saarburg at saarburg.de/vereine

If you are interested in joining a club or group, please contact the clubs in the municipality of Saarburg-Kell

[List of all clubs in the municipality of Saarburg-Kell: Clubs](#)

If you are on a low income, the [education package and participation package](#) can grant **subsidies** for membership fees in clubs for children and young people.
